

# Is Everything Up for Grabs?

A Catholic Critique of Moral Relativism

## Join us for an exciting seminar series with Patrick Madrid!

In these lively and informative presentations,

by Patrick Madrid

Patrick will show you how the Bible, current events, and the facts of Christian history can help you better understand and proclaim the truth of Catholic teaching. He will teach you how to respond calmly with

the facts when tough questions about the Faith come your way. You and your friends will benefit greatly from these exciting lectures — don't miss them!

For nearly 20 years, Patrick has presented his popular seminars at parishes, universities, and conferences throughout North America, as well as across Europe, in Asia, and in Latin America. He is the author of 12 books on Catholic themes.
