

Fr. Denis G. Wilde, O.S.A.

PRIEST ASSOCIATE, PRIESTS FOR LIFE

REV. DENIS G. WILDE, O.S.A. is a member of the Augustinian Province of St. Thomas of Villanova, was associate professor of music at Villanova University from 1977 to 1998, before he joined *Priests for Life*.

Fr. Denis has been actively involved in pro-life matters even before Roe v. Wade. During the 1980s he personally witnessed to the "rescue" movement and thereby developed ecumenical ties from the expression of common faith in God as the Author of Life. Beyond preaching and teaching at Villanova University he has traveled to over 450 venues in 43 states delivering the Gospel of Life and supporting the local pro-life efforts of clergy and laity.

Fr. Denis writes: "There is sadly no more dangerous place to live than the womb. This bizarre situation of a culture of death propped up by law and camouflaged as medicine perpetuates a lie of a colossal order. Its consequence is a dead end street to baby, mother and civilization."

"Our days, seen against this backdrop, can be foreboding. But they can also serve as a national and church wake-up call to act on the promise God has given us all - to thwart evil and reclaim His Victory over death. A priest therefore needs to be at the front, side by side and supporting his flock in this battle for life. Ours is not an option to wait for *someone else* to come along. What a joy it is to know that God is in charge and will not fail to lead us forward to end this 'unspeakable crime.'"

Please join Fr. Wilde on Saturday January 3rd from 1:00pm to 3:00pm for his talk on how you can get involved in saving lives and hear him preach Pro-Life homilies
