

Informational Evening of Healing and Hope from Abortion For Everyone!

Christ the King RC Church
2 Indian Head Road, Commack
Friday, October 16 at 7:00 P.M.

Who does abortion hurt? **Everyone!**
How does abortion hurt? **Deeply!** Psychologically, Emotionally,
Physically, Spiritually

Like a pebble thrown into a pond, abortion has a ripple affect. Everyone is affected. From the woman who experienced an abortion to all of society.

You may be wondering how could this affect me, I never had an abortion? Let's think about this. The lost lives have impacted all of us. We may never have the joy of grandchildren; find the perfect spouse; share the warmth of a sibling; hear the greatest musician; see the beauty of a talented artist; be guided by an inspirational politician or meet the person who may have found the cure for cancer, diabetes, AIDS, etc.

So if you had an abortion, supported, paid for, accompanied, or encouraged someone to seek an abortion, **this evening is for you!**

If you grieve for all the lives lost from abortion, **this evening is for you.**

If you want to help those who are hurting from abortion, **this evening is for you.**

If you want to do more to end the pain that abortion brings, **this evening is for you.**

If you want to help a society that is deeply wounded from abortion, **this evening is for you.**

Even if you still doubt that this **evening is for you**, as Jesus said, "Come and see..."John 1:39
